Ezra Acceptance Policy

Ezra will only accept applicants who are committed to Ezra's ethos. Ezra reserves the right to ask for references from Rabbonim, schools and others before accepting an applicant on tour. Ezra may also conduct interviews before accepting some applicants. We do not accept applicants on a first come first serve basis. Receipt of initial application form does not guarantee acceptance. Ezra's decision is final and there is no appeals procedure.

Financial Assistance

UJIA, and the Youth Movements/Organisations who run Israel Tour, are committed to financial inclusion to ensure that all young people in the British Jewish community can participate in the programme.

Families unable to meet the full cost of the programme can apply for means-tested financial assistance, provided by both UJIA and Ezra Youth Movement , by ticking the appropriate box on the Initial Application Form. You will then be sent a Financial Assistance application form. The UJIA Bursary Fund Committee guarantees complete confidentiality and anonymity throughout the process.

All participants are expected to be working on their learning and personal growth. There will be learning sessions every day of tour.
